Libby's Story

Supported By The Literature & Data?

How Has Life Changed Since NDIS Introduction

- Worse – made it more difficult for service providers who are small,
 - More administrative, unable to fully support participants,
 - Administrative heavy,
 - Constant changes to funding model,
 - Confusion for centres around how it impacts services/programs that they run,
 - Better for some people who get help navigating NDIS do better, worse for those that are not so able,
 - Able to apply holistic care
- Better
 - More Services
 - Better services available – Choice
 - More appropriate services
 - Lots of stress – funding/assessment/reports/appeals
 - Extra layer of communication
 - Responsibility pushed back to carer
 - Lack of consistency from NDIS Staff
